characteristics under applicable federal, state, or local law. If you need accommodations to participate in this activity, please contact us at ceinfo@vcuhealth.org for more information. Requests for accommodations must be received 21 days prior to activity start date.

Complaint Policy and Resolution Process

All complaints must be made in writing to ceinfo@vcuhealth.org.

All complaints will be logged into the complaint log. The Director, Continuing Education will attempt to resolve the complaint within the first contact, when possible, and will respond to the client and customer's concerns within 5 business days of the initial complaint. At the time of the first contact, Director, Continuing Education will inform the complainant if more time will be needed to research the complaint.

If the complaint is still unresolved after communication with the Director, Continuing Education, or if the initial complaint is not addressed in a timely manner, the complainant may contact the President & CEO, UHS-PEP. The President & CEO will then contact the complainant and endeavor to resolve the complaint within 10 business days after being contacted.

The complaint log will be regularly reviewed to identify areas of operations and service that may require improvement. The Director, Continuing Education will research reoccurring complaint matters and recommend process and procedure changes, when appropriate. These changes will be noted on the Complaint Resolution Log, and any necessary policy and/or procedure updates will be made within 15 business days thereafter.

Disclosure Statement

In compliance with ACCME Standards, all planners and presenter relationships with commercial supporters have been resolved. All presenting faculty affirm that they will employ the best available evidence from all sources to support any clinical recommendations made in their presentations. If learners detect any commercial bias in any presentation, they should document their observations on the activity evaluation.
