

Bias in Patient Care

Provided by Department of Psychiatry

Speaker: Rachel McLaughlin, NP

Topic: *The Schwartz Rounds is a monthly multidisciplinary forum open to VCU and VCU Health faculty, providers, and staff to discuss difficult emotional and social issues that arise in caring for patients*

Purpose or Objectives: **At the conclusion of this activity, the participant will be able to:**

1 At the conclusion of this activity, the learner should better be able to identify tools and strategies for improving support and decreased sense of work stress and isolation.

2 At the conclusion of this activity, the learner should better be able to develop an enhanced understanding of the perspectives of colleagues within and across professions and work more effectively within the multidisciplinary team.

3 At the conclusion of this activity, the learner should better be able to implement tools and strategies to decrease isolation from other members of the multidisciplinary team.

Date/Time: 2/21/2019 5:00:00 PM

Location VCU Kontos Medical Science Building, RM 104-105
