Workshop Information

About the Workshop

This course is a review of emergency nursing designed to assist the participant in successfully obtaining CEN® certification. The course offers lectures, graphics, videos and practice questions in many of the areas that are tested on the CEN® Exam. This review will provide not only a knowledge base for successfully completing the exam, but also a foundation for further study as the participant works towards emergency nursing certification.

Why be certified

Successfully completing the Certified Emergency Nurse (CEN®) Exam is a challenge that has been completed by only a minority of emergency nurses. Successful completion of this exam exhibits to others that the bearer has demonstrated a knowledge base in the specialty of emergency nursing that exceeds his or her peers.

Materials

This program prepares the learner to:

- Discuss priorities of the primary and secondary assessment of patient presenting to the emergency department.
- Describe basic principles of disaster management.
- Discuss the basic principles of safe Interfacility transfer.
- Describe anticipated assessment findings of patients with selected respiratory, medical, cardiovascular, neurologic, toxicological, gastrointestinal and genitourinary emergencies.
- Plan and prioritize interventions of patients with selected respiratory, medical, cardiovascular, neurologic, toxicologic, orthopedic, psychiatric or gastrointestinal emergencies.
- Select appropriate triage categories for patients in clinical scenarios.
- Differentiate cardiogenic, hypovolemic and distributive shock with regards to assessment and management.

Continuing Education

Nursing: Up to 15.4 Contact Hours will be provided for full attendance at this workshop.

VCU Health is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Registration Information

The registration fee includes program materials, continuing education credit, and light breakfast and refreshments. Minimum and maximum numbers for attendance at this event have been established, and we reserve the right to substitute speakers/topics, or cancel if necessary. Register early.

Cancellation Policy

Full refund, minus \$15 processing fee for written cancellations postmarked by **Friday, April 13, 2018**. No refunds will be given for cancellations postmarked after this date.

Location

The workshop will be held at the Main Hospital's Learning Center, on the MCV campus of VCU Health in Richmond, VA. Specific parking details will be sent in registration confirmation letters.

Accommodations

You can book at either the Marriott Richmond (804-643-3400) or the Hilton Hotel Downtown Richmond (804-344-4300); both are approximately two easy walking blocks away from the MCV Campus of VCU Health.

Americans with Disabilities Act

Workshop Faculty

Cathy C. Fox, RN, CEN, CPEN, TCRN, FAEN

Cathy has more than 26 years of emergency nursing experience, working in adult and pediatric emergency facilities. Her past roles include Pediatric ED Nurse Manager, ED Educator and staff RN. She is currently employed in the Emergency Department of a STEMI and Stroke certified ED in Chesapeake, VA, as an ED Educator and Educational Consultant. Cathy has coordinated the CEN® Review course for Tidewater ENA since 1997 and maintains a very high passing rate for the CEN® Exam. In addition, she was the 2001 National ENA CEN® distinguished award recipient, recent 2009 National ENA Nursing Education award recipient, 2011 Virginia Governor's Award for Outstanding Contribution to EMSC for Children and 2012 National EMSC award recipient. In 2013, Cathy was inducted into the Academy of Emergency Nursing. Cathy has been a national speaker for over 17 years.
