Workshop Information

About the Workshop

As pediatric nurses, we work with many patients, some of whom will die, despite improving cure rates. This two-day ELNEC-PPC course will provide nurses and other healthcare professionals, in any area of practice, with the essential education in palliative care to effectively care for children and their families at the end of life.

Note: This is not a train-the-trainer course.

Who Should Attend?

Although geared to nurses, the course will benefit health care providers from all disciplines who work with children at the end of life and their families, including social workers and clergy.

Materials

Participants will receive program materials covered during the two-day workshop

Continuing Education

Nursing: Up to 12.5 Contact Hours will be provided for full attendance at this workshop.

VCU Health is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
