## Audience

The target audience of this conference includes physicians, nurses, nurse practitioners, physician assistants and other health care professionals who deliver primary care to children and adolescents. The program is devoted to HPV update and best practice, pediatric headaches and mind strengthening.

## Accreditation and Credit

VCU Health Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

VCU Health Continuing Medical Education designates this live activity for a maximum of 4.5 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VCU Health Continuing Medical Education awards **4.5** hours of participation (equivalent to **AMA PRA Category 1 Credits™**) to each non-physician participant who successfully completes this educational activity.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 4.5 MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purposes of granting ABP MOC credit.

## Course Description

This course is designed for physicians and other health care professionals who provide primary care to children and adolescents. Participants will be able to:

- Review background of HPV vaccine, utilization rate and best practice for primary care providers as identified by VA Chapter, AAP study.
- Identify criteria needed to define pediatric migraines, variants, and describe initial acute and preventive treatment options.
- Describe mind-body medicine and the use of mind strengthening techniques in the treatment of pediatrics.
