Join us at this year's virtual Heart Matters Nursing and Allied Health Symposium for a day focused on interdisciplinary care of the cardiac patient. This interactive conference will feature regional experts on the most recent innovations in clinical practice and science in the cardiovascular field.

Objectives

At the conclusion of this activity, learners will be able to:

- Describe the latest advances in treatment approaches for anticoagulation for the left atrial appendage occlusion patient population.
- Consider emerging clinical approaches for reducing stroke in patients with atrial fibrillation.
- Discuss the pathophysiology and diagnosis of transthyretin amyloidosis.
- Identify risks for heart disease in pregnant women and utilize a collaborative treatment approach to address these.
- Discuss potential long-term effects of cardiovascular disease and COVID-19.
- Recognize the impact of transition clinics in managing care for congenital heart patients progressing from pediatric to adult care.
- Describe the functionality, application and common complications associated with total artificial heart implantation.

Guest faculty

Shawn O’Keeffe

Pauley Heart Center Patient

VCU Health faculty

Antonio Abbate, MD, PhD

James C. Roberts Esq. Professor of Cardiology
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Linda Currie, MSN, RN, ACNS-BC, CCRN-CSC, WTA

Clinical Nurse Specialist
Cardiac Surgery Intensive Care Unit
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Kenneth Ellenbogen, MD

Martha M. and Harold W. Kimmerling
Professor of Cardiology
Director, Electrophysiology and Pacing
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Jessica Hallam, MSN, RN, FNP-C

Family Nurse Practitioner
Adult Congenital Heart Program
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Katherine Klein, MD

Assistant Professor
Pauley Heart Center
Division of Cardiothoracic Surgery
Department of Internal Medicine

Susan Lanni, MD, FACOG

Professor
Division of Maternal Fetal Medicine
Department of Obstetrics & Gynecology

Sarah Paciulli, MS, RN, NP

Nurse Practitioner
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Kerry Patterson, MSN, RN, CCRN-K

Nurse Clinician
Coronary Intensive Care Unit
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Jennifer Powers, MSN, RN, CCRN, CN IV

Nurse Manager
Coronary Intensive Care Unit
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Keyur Shah, MD

David E. Tolman Professor in Heart Failure
Section Chief, Heart Failure
Medical Director of Mechanical Circulatory Support
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Sangeeta Shah, MD, FACC, FASE

Medical Director, Adult Congenital Heart Program
Associate Professor
Pauley Heart Center, Division of Cardiology
Department of Internal Medicine

Disclosure

In compliance with ACCME Standards for Integrity and Independence, all planner and presenter relationships with commercial supporters have been resolved. All presenting faculty affirm that they will employ the best available evidence from all sources to support any clinical recommendations made in their presentations. If learners detect any commercial bias in any presentation, they should document their observations on the activity evaluation form.

Schedule | Friday, February 25, 2022

AM

8:00 **Welcome and announcements**

8:10 **Left atrial appendage occlusion and blood thinners: The past, present and future**

Kenneth A. Ellenbogen, MD

9:15 **A simple guide for diagnosing transthyretin amyloidosis**

Sarah Paciulli, NP and Keyur Shah, MD

10:15 **Break**

Visit the virtual exhibit hall for live interaction with exhibitors

10:30 **A collaborative approach to maternal cardiac disease**

Susan Lanni, MD; Kerry Patterson, MSN and Jennifer Graham Powers, MSN

11:30 **The cardiovascular impacts of COVID-19**

Antonio Abbate, MD, PhD

PM

12:30 **Extended break**

Visit the virtual exhibit hall for live interaction with exhibitors

1:30 **Adult congenital heart disease: Expanding need for providers and importance of transition clinics**

Jessica Hallam, MSN and Sangeeta Shah, MD

2:30 **Heart Center Practice Committee Q&A session**

3:00 **Break**

Visit the virtual exhibit hall for live interaction with exhibitors

3:15 **Total artificial heart: The old and the new**

Linda Currie, MSN and Katherine Klein, MD

4:15 **Patient experience**

Shawn O’Keeffe

4:45 **Closing remarks**

4:50 **Virtual exhibit hall**

Live interaction available until 5:30 pm.

Note: Exhibits will be available to view in the virtual exhibit hall at any time throughout the conference. Exhibitors will be available to interact live with attendees via videoconference at designated times during the conference. See agenda for live interaction times.

Accreditation and education credit

In support of improving patient care, VCU Health Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

VCU Health Continuing Education designates this live activity for a maximum of 7.0 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VCU Health Continuing Education designates this activity for a maximum of 7.0 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

This activity provides 7.0 contact hours (0.7 CEUs) of continuing education credit. ACPE Universal Activity Number (UAN): JA4008237-0000-22-159-L01-P.

NOTE FOR PHARMACISTS: Upon closing of the online evaluation, VCU Health Continuing Education will upload the pharmacy-related continuing education information to CPE Monitor within 60 days. Per ACPE rules, VCU Health Continuing Education does not have access nor the ability to upload credits requested after the evaluation closes. It is the responsibility of the pharmacist or pharmacy technician to provide the correct information (NABP ePID and DOB (in MMDD format)) in order to receive credit for participating in a continuing education activity.

As a Jointly Accredited Organization, VCU Health Continuing Education is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. VCU Health Continuing Education maintains responsibility for this course. Social workers completing this course receive 7.0 continuing education credits.

This activity was planned by and for the healthcare team, and learners will receive 7.0 Interprofessional Continuing Education (IPCE) credit for learning and change.

Disclaimer

Minimum and maximum numbers for attendance at this event have been established, and we reserve the right to substitute speakers/topics, or cancel if necessary. By attending this event you grant VCU Health Continuing Education the right at the event to record, film, photograph, or capture your likeness in any media, and to distribute, use, or otherwise disseminate, in perpetuity, such media without any further approval or any payment to you.

Accommodations

All participants have the right to participate in this continuing education activity without discrimination due to age, race, ethnicity, religion, culture, language, physical or mental disability, socioeconomic status, sex (sexual orientation, gender identity or expression and pregnancy), protected veteran status, marital status, genetic information, or any other protected characteristics under applicable federal, state, or local law. If you need accommodations to participate in this activity, please contact us at ceinfo@vcuhealth.org for more information.
