

Disclosure Statement

In compliance with ACCME Standards, all planner and presenter relationships with commercial supporters have been resolved according to VCU's policy on Conflict of Interest. All presenting faculty affirm that they will employ the best available evidence from all sources to support any clinical recommendations made in their presentations. If learners detect any commercial bias in any presentation, they should document their observations on the Activity Evaluation Form.

Accreditation and Credit

Physicians

VCU Health Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

VCU Health Continuing Medical Education designates this live activity for a maximum of 12.00 **AMA PRA Category 1 Credits™**. Physicians should claim only credit commensurate with the extent of their participation in the activity.

MOC

ABPN MOC credit application has been filed.

Technologists

The American Society of Electrodiagnostic Neurotechnologists (ASET) has granted 12.00 **ASET Continuing Education (ACE) credits** for the program. Such crediting, however, should not be construed by program participants as an endorsement of any type of instruments or supplies mentioned or involved in these presentations.

Nurses

ANCC and the Virginia Board of Nursing accept **AMA PRA Category 1 Credits™** from organizations accredited by the ACCME for your CNE contact hour requirements for recertification or re-licensure.

Physician Assistants

AAPA accepts certificates of participation for educational activities certified for **AMA PRA Category 1 Credits™** from organizations accredited by the ACCME or a recognized state medical society.

Learning Materials

A free download of the course materials will be available to all registrants one week prior to the symposium. The link for the free download will be sent to you by email. Please download the materials prior to your arrival, as no printed syllabus will be available at the meeting. Wifi will be available to registered participants in the Kontos Medical Sciences Building.

Conference Location

The Hermes A. Kontos Medical Sciences Building is located on the medical campus of Virginia Commonwealth University at 1217 East Marshall Street in Richmond, Virginia.

Conference Parking

Valet parking is available from 6:00 a.m. to 5:00 p.m. for \$5.00 (fee subject to change) at the entrances of the Gateway Building, located on Marshall Street, and North Hospital, located at the corner of Marshall Street and College Street.

The 46th Annual
Hans Berger Clinical
Neurophysiology
Symposium

May 21 – 22, 2018

The 46th Annual Hans Berger Clinical Neurophysiology Symposium

Best Practices for Challenging Scenarios

May 21 – 22, 2018

A comprehensive update of recent advances for physicians, technologists and health care providers.

The Hermes A. Kontos Medical Sciences Building,
Virginia Commonwealth University MCV Campus,
1217 East Marshall Street, Richmond, Virginia

Presented by the Department of Neurology at Virginia Commonwealth University School of Medicine and VCU Health Continuing Medical Education

Schedule May 21 – May 22, 2018

Course Description

The Department of Neurology at Virginia Commonwealth University School of Medicine presents distinguished faculty from epilepsy centers and neurophysiology laboratories across the country in the 46th annual commemoration of Hans Berger's birthday.

The goal of the symposium is to offer physicians, technologists and medical professionals practical information in applying state-of-the-art electrodiagnostic testing in the clinical management of patients with epilepsy and related disorders.

Monday, May 21

A.M.

8:00 **Registration & Continental Breakfast with Exhibits**

8:50 **Welcome & Announcements**

9:00 **EEG following Cardiac Arrest**
Muhammad Bhatti, MD

9:45 **EEG of Status Epilepticus**
Lawrence Hirsch, MD

10:30 **Break with Exhibits**

11:00 **AEDs - When to Start, When to Stop**
Joseph Sirven, MD

11:45 **Questions & Answers**

P.M.

12:00 **Boxed Lunch with Exhibits**

1:00 **Safety in the Epilepsy Monitoring Unit**
Victor Gonzalez Montoya, MD

1:45 **SUDEP - Recognizing Risks and Prevention**
Jane Boggs, MD

2:30 **Break with Exhibits**

3:00 **Concurrent Breakout Sessions**

Session A: Neuromodulation: Managing Epilepsy with VNS and RNS
Kenichiro Ono, MD and Soundarya Gowda, MD

Session B: Things That Make You Go Hmmm... Infection Control in Neurodiagnostics
Rachel Van Aken, R. EEG T., CLTM, CNIM

Session C: Epilepsy Support Across the Lifespan
Melissa Byrne, MSW

5:00 - **EEG Record Review Session**
6:30

Please join us for an educational EEG Record Review Session followed by refreshments. Learn to recognize patterns of recurrent seizures and SE and differentiate ictal patterns from ICU artifacts. This session is intended for END Technologists and other healthcare providers registered for the Hans Berger Symposium. You must reserve your seat in advance, as seating is limited. Please feel free to bring any interesting EEGs you would like to review with the group.

Tuesday, May 22

A.M.

7:45 **Registration & Continental Breakfast with Exhibits**

8:20 **Welcome & Announcements**

8:30 **Coming to Terms: The New Epilepsy Classification**
Jane Boggs, MD

9:15 **Status Epilepticus: Clinical Management**
Lawrence Hirsch, MD

10:30 **Break with Exhibits**

11:00 **Anti-Epileptic Drugs: New and in the Pipeline**
Joseph Sirven, MD

P.M.

12:00 **Boxed Lunch with Exhibits**

1:00 **Epilepsy and Driving: Protecting the Patient and Yourself**
Alan Towne, MD

1:40 **Nocturnal Spells: Recognition and Management**
Samuel Taylor, Jr., MD

2:20 **ID the EEG**
Attendees will use the audience response system to identify EEG patterns
Elizabeth Waterhouse, MD

3:10 **Symposium Adjourns**
