Target Audience

The target audience for this CME activity is physicians, who specialize in family and internal medicine, as well as allied health professionals (including physician assistants, nurse practitioners and nurses) seeking clinical information about cardiovascular issues.

Course Description

This symposium is designed to provide primary care practitioners with up-to-date, evidence-based information on cardiovascular issues including the latest treatment options for clinical management. The symposium's format will include interactive lectures and case-based studies. Participation in this activity should improve attendees' knowledge in cardiovascular risk assessment, treatment and new innovation and ultimately improved cardiovascular patient outcomes.

Learning Objectives

1. Establish cardiovascular risk reduction assessment and treatment strategies.
2. Determine which patients may be appropriate for new cardiovascular treatments.
3. Describe treatment options for patients with vascular disease.

Speakers

Jeffrey Askew, MD, FACC

Diagnostic Cardiologist, Virginia
Cardiovascular Consultants

John C. Cardone, MD, FACS

Cardiothoracic Surgeon, Mary Washington
Virginia Cardiovascular and
Thoracic Surgery

Arijit Chanda, MD, RPVI

Interventional and Structural Cardiologist,
Cardiology Associates of Fredericksburg

Harish Chandra, MD, FACC, MPH

Medical Director, Structural Heart Program,
Mary Washington Hospital; Interventional
& Structural Cardiologist, Virginia
Cardiovascular Consultants

Arun S. Chhabra, MD

Medical Director, Primary Stroke Center,
Mary Washington Hospital; Neurologist,
Mary Washington Medical Group
Neurology

**Micaela Iantorno, MD, MSc, RPVI,
FAHA**

Interventional Cardiologist, Critical Care
Specialist, Oracle Heart & Vascular

Gregory Kauffman, MD, FACC

Chief, Department of Medicine,
Mary Washington Hospital;
Diagnostic Cardiologist,
Cardiology Associates of Fredericksburg

Shelly Kalia-Reynolds, DO, MS

Endocrinologist, Mary Washington
Endocrinology

Peem Lorvidhaya, MD

Electrophysiologist, Cardiology Associates
of Fredericksburg

Alex S. Na, MD

Medical Director, Cardiovascular Surgery,
Mary Washington Hospital;
Cardiothoracic Surgeon, Mary
Washington Virginia Cardiovascular and
Thoracic Surgery

Pascal Ngongmon, MD

Somnologist, Mary Washington Sleep
Medicine

Associates of Fredericksburg

Accreditation

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of University Health Services Professional Education Programs (VCU Health Continuing Medical Education) of Virginia Commonwealth University Health System and Mary Washington Healthcare Virginia Heart and Vascular Institute. VCU Health Continuing Medical Education is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

VCU Health Continuing Medical Education designates this live activity for a maximum of 6 **AMA PRA Category 1 Credits (TM)**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Compliance

In compliance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support of CME, University Health Services Professional Education Programs (VCU Health Continuing Medical Education) of Virginia Commonwealth University Health System discloses all relevant relationships which program faculty and planners report having with "any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients." VCU Health Continuing Medical Education has procedures to resolve any apparent conflicts of interest.

In compliance with the ACCME Standards, all relationships reported in this program have been resolved according to VCU Health Continuing Medical Education Conflict of Interest Policy. All presenting faculty affirm that they will employ the best available evidence from all sources to support any clinical recommendations made in their presentations. If the learner detects any commercial bias in any presentation, observations should be documented on the Activity Evaluation Form. In addition, faculty members are asked to disclose when any unapproved use of pharmaceuticals or devices are discussed.

Registration is now open. Go to Heart.mwhc.com.
