Audience

The target audience of this conference includes physicians, nurses, nurse practitioners, physician assistants and other health care professionals who deliver primary care to children and adolescents. The program is devoted to allergy/immunology and asthma.

Accreditation and Credit

VCU Health Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

VCU Health Continuing Medical Education designates this live activity for a maximum of 4.75 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VCU Health Continuing Medical Education awards **4.75** hours of participation (equivalent to **AMA PRA Category 1 Credits™**) to each non-physician participant who successfully completes this educational activity.

Course Description

This course is designed for physicians and other health care professionals who provide primary care to children and adolescents. Participants will be able to:

- Identify warning signs and describe how proper diagnosis can affect treatment choices for children with immunodeficiency.
- Understand the role of an allergen in EoE and different treatment options.
- Discuss recent advances in food allergy prevention.
- Describe how new biologic therapies fit into traditional care pathways for children with asthma.
- Review what pediatricians can do to successfully care for their patients with asthma.
- Discuss primary care challenges treating asthmatic children and explore partnerships with community-based organizations.
